

Accommodation at the Fire Service College

If you are looking for a venue with a difference then **phoenixetc** is the place for you. You can find us at the Fire Service College, an inspirational venue offering an extensive range of facilities and activities.

Accommodation

Our well-equipped en suite accommodation for over 400 delegates onsite, has coffee and tea making facilities, TV and free WiFi.

Our accommodation includes:

- 270 double en suite bedrooms
- 30 double / twin en suite bedrooms
- 130 single en suite bedrooms

Laundry facilities are available in all of the accommodation buildings.

Accreditation

The College has been awarded four star campus accommodation status by VisitEngland. This includes membership of the Walkers Welcome and Cyclists Welcome schemes which means that visitors can not only expect a warm welcome but facilities suited to their needs such as a drying room for muddy boots and lockable storage for bikes.

Relaxation

On top of this, visitors can enjoy a pleasant dining experience in our bright and modern Connections Restaurant serving a range of options as well as catering for dietary requirements. We have two licensed bars onsite: the London Bar and Edinburgh Lounge, both offering a selection of alcoholic and non-alcoholic beverages.

The London Bar is a great venue to socialise, with pool tables, air hockey, darts and table football, as well as satellite TV offering sports channels.

The Edinburgh Lounge is an ideal location for those seeking a quiet space to rest and unwind.

Keeping in touch

We know how important it is for people to be able to stay in touch with their work colleagues and families while they're away from home. So, as you'd expect in our digital age, there is free site-wide WiFi available 24/7. Delegates can make use of this via multiple visitor access points around the College (in the accommodation blocks, Four Shires restaurant / bar area and the Library). A dedicated IT suite located in the Library provides open access to PCs.

Unforgettable events

So, whether you are planning a small meeting or a large conference, a team building day, or a product launch, we can help you to deliver a truly unique and unforgettable event for your delegates. We are with you every step of the way to support you, from initial contact through to event delivery, providing a tailored event that meets your requirements
