**We invite new and regular visitors to our established end of Season event which will include**

- Visiting classic / historic vehicles
- Visit our workshop and see our restoration projects
- Enthusiasts' sales stands
- Many of the buses and cars from our collection, and visiting vehicles, on the road and offering rides - includes some 'City Tour' departures around Lincoln's historic 'Cathedral Quarter' in the afternoon and again after dark at 5 pm.
- Refreshments available - hot and cold drinks, filled rolls, and a large selection of cakes

**Admission to this event is £ 8 per adult (includes programme and bus schedule), accompanied children / young people (under 18) free.**

### **Car Rides**

Some of the cars from the Museum collection are intended to be on the road and will be offering rides from 12 noon onward. The cars we intend to be on the road are listed [here](#).

### **Bus Services**

Buses, both from the Museum collection and visiting, will provide a regular, free, bus service to and from Lincoln City Centre, a 'park and ride' service

and 'country bus services' and 'excursions'. A timetable / vehicle schedule is included as part of the admission price.

The buses confirmed as scheduled for 'service' are listed [here](#). The programme will include a detailed timetable showing which journeys each bus is scheduled to run.

The '**Park & Ride**' service for this event will run from Teal Park, off Whisby Road - close to the Whisby Roundabout ('Windmill Farm') on the A 46 Lincoln by-pass. (Postcode LN6 3XX). Map [HERE](#) (although please be aware the road is quite new and may not appear on some navigation systems.)

This service will run from 10.00 am through the day, every 10 - 15 minutes. The last departure back to the Park & Ride will be at 5.05 pm. The 5.00 pm 'City Tour' bus will also continue to Teal Park (arriving approx 6 pm) after the tour.

### **City Centre Bus Service**

The City Centre service will run every 10 -15 minutes.

This service will run from the bus stop opposite Lincoln Railway Station, outside the former 'Barbican Hotel' on St Mary's Street (pictured left) and close to Lincoln's new bus station. Map [here](#).

The first departure from St Mary's Street will be at 10.10 am (to allow connections from Stagecoach bus 18 from uphill Lincoln, due at Lincoln Bus Station at 10.00.)

### **Country bus routes and excursions**

We hope to run additional 'tours and excursions' on the day - more information in the event programme.

**All 'bus services' and car rides are free but we would strongly encourage visitors to purchase a programme which helps to cover the event's operating costs as well as helping to restore and maintain the vehicles in use.**

**These events could not continue to run without the financial support of our visitors to whom we are grateful. All funds raised will go towards the running of our open days and upkeep of the Museum and vehicles.**
