

We would like to say a big thank you to all those that turned out for our planning meeting for 2010. We have now got a very busy year ahead. Last year was very successful and fingers crossed we are in for another great year.

Social meetings will still be held on the first Wednesday of the month at the Queens Head Ridgeway. It suits our purpose very well and the food is very good and reasonably priced.

We are however, looking into going up to the north of our region every few months for our monthly meeting, I will let you know as soon as we find a venue and the months that that will happen.

It was decided that we would cut the runs down at Ladybower, just as a trial and make it just on the FIRST SUNDAY of the month starting in January.

Then we have the main monthly runs which you can find details on the events page.

We would like to start using the forum more to communicate about ideas and about attending runs and social events. It is nice for the people that organise the runs to know who will be attending so they can safely leave on time and not worry about leaving anyone behind and sometimes numbers are good to know for refreshment stops etc. if you do not have internet access you can always text myself or Burton or the person organising the run.

Graham has done a good job of getting the web site up to date but it is an ongoing job. So keep checking it out. If you have anything you would like to put on, photos etc please let us have them.

As you know we are the hosts of the National Rally next year at Chatsworth and the arrangements are underway. If you think you could give us any help on the Sat 18th or the Sun 19th September then please let us know.

We will be looking for volunteers for various jobs from parking cars, taking runs on the Sat to selling raffle tickets so if you can spare us just an hour or two then let us know we would be very grateful.

The team organising this is Jill, Burton, Pete, Trevor and Dave Kielly from NEM's.

Christmas Lights Run we will be meeting at Tesco car park at Abbeydale Road on Sunday 20th December at 4.00pm and don't forget to trim those cars up. You can get all sorts of small battery lights now, so come on join in the fun.
