Peaks and Pennines Newsletter

January 2010

Hope Valley, Derbyshire

HAPPY NEW YEAR!

We hope you all had

a fantastic Christmas and a Happy New Year.

It was a great shame that the Christmas lights run had to be cancelled due to the weather, and it's not let up since.

Thank you to Pete and Stella for organising the evening meal and show; everyone that managed to get out the sledge and huskies had a great night.

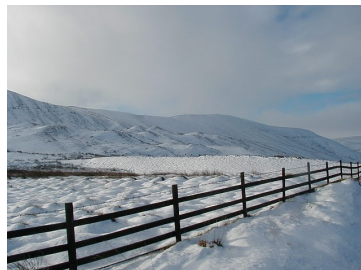

We shall have to hang up our Christmas lights until next year!

Sunday Runs from

Heatherdene car park at Ladybower are now on the FIRST SUNDAY of the month.

Unfortunately the weather let us down again on 3 January and we did not manage to get out.

Here's hoping the weather will improve for Sunday 7 February so we can get those roofs down again!

Details of all our runs

and events are on the Events page on our website, <http://pp.mx5oc.co.uk>. If you plan to join a run, please let Jill or Burton or the run organiser know. This helps us plan refreshment stops – and it means we won't leave without you!

If you have any suggestions as to where to go (not THAT sort of 'where to go'!), please contact Jill or Burton.

Social Meetings are still held on the first Wednesday of the month at the Queens Head, Main Road, Ridgeway, Sheffield. We plan to hold a Social Meeting every few months in the north of the Peaks and Pennines region. If you know of a suitable venue, please let us know. We'd love to get up there and meet you!

Peaks and Pennines are, as you know, hosting the National Rally this year, which takes place on 18/19 September.

The venue is Chatsworth House, a beautiful house set in extensive grounds, on the edge of the Peak District. This special venue will add that 'extra something' to the National Rally.

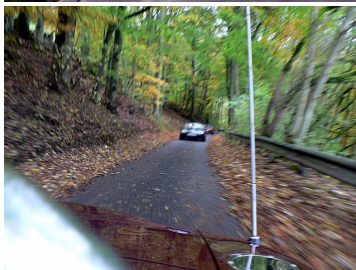

Arrangements are well under way but as always with such events there's always a need for more helping hands.

If you would like to get involved and can spare some time on either or both of those days, please let Jill or Burton know. We'll be very grateful for any time you can spare.

To whet your appetite and encourage you to join us out and about in 2010, here are a few photographs of the sort of roads and scenery we regularly visit.
