

Dear Member

Welcome to the autumn edition of the **Peaks and Pennines** newsletter. Few members will have escaped noticing that our area has been responsible for organizing the MX-5 Owners Club National Rally at Chatsworth. I was going to write about the rally in this newsletter, but having seen a draft of Sharon's article in STHT, I think I will leave it to the professionals, instead I have copied a few of the many complimentary comments on the Club Forum, I think they say it all...

This was our first Rally and we thoroughly enjoyed it. Our thanks to Jill and Burton, and all those in Peaks and Pennines who organised it. We met our our fellow Eastern Region members for the first time who were very welcoming. In fact all the MX 5 Club people that we met were very friendly. Thanks to all: we shall take part in more events in the future.

**Jill and myself, as area co coordinators get numerous mentions, both on the forum and in STHT, I would like to take this opportunity of thanking Pete and Trevor, the other two members of the Chatsworth Committee, and the numerous members who gave up hours of their spare time to assist with the event, both in the preparation, and over the weekend.**

**Thank you**
