## **WALES ROAD TRIP, MARCH 24<sup>TH</sup> 2018**

I am pleased to let everyone know that I will be arranging a trip to Wales in March 2018. If you have joined us on previous occasions, you will know the roads we drive on, and possibly the hotel we use, if you haven't been before, then you have missed on some fantastic weekends away with likeminded people who love driving their cars on roads built for the MX5, you've also missed out on some great evenings, with good social banter mixed in with a drink or two.

We will be using the White Water Hotel again in Llangollen, as they have maintained their price, being £149.85 per couple per night for dinner bed and breakfast, and single rooms are £120 DBB.

The route will be very similar to this year, but I intend to give Llandudno a miss on the Sunday, as it made the day uncomfortably long. Full revised route will follow nearer the day.

### ***IMPORTANT NEXT STEP***

This year we managed to book every room at the hotel ( 20 rooms) therefore if you would like to join us in 2018, please DO NOT hesitate, and act quickly in order to ensure your place is guaranteed, as some members unfortunately missed out this year.

I will be needing a small deposit of £25 per room, before, or at the next MX5 meeting which I believe is on the Wednesday the 1<sup>st</sup> of November, please also ensure that I have your full name and email address, and whether you require one or two nights, in order for me to confirm that your deposits have been used to book your place.
